

NCS: NATURAL COLOR SYSTEM

The Universal Language of Colour™

NCS Colourpin

A handy digital colour reader to pin, store and share colours from real life settings. Add and remove colours in an instant. Easily add pictures to a collection by using the in-app camera. Associate colours with pictures, write down a story or only add date and place. You can organise colours in pinboards and review and edit existing pinboards, as well as share them with others by email.

Colourpin presents the nearest NCS Notation, colour conversions for RGB, CMYK, L*a*b* and lightness information as Light Reflectance Factor and NCS Lightness.

Comes with a USB rechargeable battery.
The Colourpin app is available for the iPhone in the App Store.

Price \$350.

NCS ALBUM 1950 Original

An excellent illustration of the NCS System, loaded with re-fillable colour samples to work with – the NCS Album is truly the ultimate colour design tool for every professional designer.

Each ALBUM binder is 17 1/4" x 12 3/4" x 3 1/4" with 5850 samples.
A9 samples are 1 7/16" x 2 1/16".

Price \$2650.

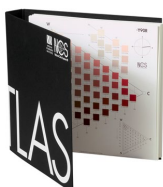

NCS BOX 1950 Original

The ideal color library for studios where color judgments need larger samples that are ready to use or cut into smaller chips to use in presentation, these can be reordered.

Contains one A6 postcard size for all 1950 NCS colors.
Indexed by Hue with Dividers and Color Mask.

Price \$2450.

NCS ATLAS 1950 Original

A stunning illustration of the NCS System. The NCS Atlas is the perfect companion when you need to navigate quickly and smoothly in different colour areas. The NCS Atlas features an explanation of the NCS Color System. Additional pages show the full color circle and a page of 52 pure neutrals and tinted greys, plus 42 pages showing the 40 Hues in a Triangle format with the Nuances of each color on mounted permanent samples.

Each ATLAS binder measures 13"x12"x1/34".
Mounted permanent samples measure 5/8" x 5/8".

Price \$575.

NCS INDEX 1950 Original

All-in-one elegance with a practical, compact overview of all the 1950 NCS colours. It combines an intuitive layout with a portable design to put NCS Colours at your fingertips in seconds. The unique design of the cover keeps the pages protected.

The full range of 1950 colors (arranged by nuance) which can be kept on the desk or taken to meetings. The stripe card layout allows for edge to edge comparison.

Price \$250.
